

Recycler Workshop

Trying to compare cash recyclers? It's time to plan a visit to our Metro Atlanta headquarters to test drive all the latest models all under one roof.

Discover the right recycler for your branch's needs

Cash recyclers are a vital addition to any financial institution's branch transformation strategy. These devices allow for more efficient tellers, increased cash security and easier access to cash. With so many options on the market, you need a way to effectively evaluate multiple cash recyclers to identify those that best fit your branch environment.

Our team of experts will guide you through the ins-and-outs of various cash recyclers

Avivatech LLC and Benchmark Technology Group, Inc. offer Cash Recycler Workshops to give you one place to evaluate all the leading devices. While you're here, you will also have the opportunity to see the CashWare® cash automation solution, a market-leading application from Avivatech, drive different cash recyclers.

See for yourself why financial institutions are making the switch to the CashWare application. **Reach out to your sales representative to plan your visit today.**

What to Expect

- Customized agenda, tailored to your needs
- Hands-on access to recyclers from top manufacturers to test ease of use, speed and jam clearing
- Demonstration of the CashWare application, a leading cash recycler software solution
- Objective feedback from experts to help you make informed decisions
