# Epson TM-T88V POS Thermal Printer

- mPOS-friendly printer compatible with iOS, Android and Windows mobile devices
- DHCP enabled model available for easy IP/network configuration
- Printer class model available for easy connection and discovery
- Supports 802.11a/b/g/n with 2.4GHz/5GHz compatibility and Bluetooth® 2.1 + EDR
- Easy to configure and install
- Fast printing up to 300mm/sec for both text and graphics
- Special print options reduce paper usage up to 30%
- Industry-leading four-year limited warranty

The mPOS-friendly TM-T88V is the industry's leading POS thermal printer. It is fast, reliable, easy to configure and supports all the leading mobile operating systems including iOS, Android and Windows.

## High-speed, high-resolution text and graphics printing

Epson's TM-T88V delivers all the features you need to ensure quick transactions for your customers. It offers the fastest printing in its class for both receipts and graphics with speeds up to 300mm/second, flexible connectivity options and best-in-class reliability. And it's the first printer in the industry to offer 16 levels of grayscale to ensure clear, crisp graphics.

#### Multi-platform printing made easy

Epson's TM-T88V is designed to work right out of the box with mobile POS applications. With Epson's unique ePOS-Print technology, the TM-T88V can print directly from any devices running an iOS, Android or Windows operating system with a WiFi or Bluetooth connection, using a HTML5 browser or native application.

#### Compatible and ready to go

The TM-T88V printer is compatible with all of today's best-of-breed POS systems and the latest industry-standard wireless security protocols. The printer supports 802.11a/b/g/n with 2.4GHz/5GHz compatibility or Bluetooth® 2.1 + EDR.

It also offers Serial, Ethernet and USB options, enabling flexible mobile and web-based receipt printing.

#### Easy to use. Easy to maintain.

The TM-T88V is easy to configure and install and is packed with easy-to-use features including drop-in paper loading, long-lasting autocutter and easy-to-read LEDs.

#### Reduce costs with paper saving options

With Epson's TM-T88V paper-saving options you can reduce your paper usage by up to 30%. The paper-saving settings are easy to use and do not affect print quality, readability or font size.

#### Reliability you can count on

With a MCBF of 70 million lines and an autocutter life of 2 million cuts, the TM-T88V delivers best-in-class reliability so critical in high volume environments.

#### Industry-leading four-year warranty

The TM-T88V is backed by Epson's industry-leading service and support programs and comes with a four-year limited warranty.
